**JOHN CARMICHAEL,

FROM OUR VICE PRESIDENT....

As our Lodge continues to work its way back to financial health, it is exciting to see the enthusiasm of our members getting involved. Attendance at our general membership meetings are up, ideas for Lodge improvement projects, activities, suggestions, and community involvement are flowing in. But, best of all, we are getting volunteers to help in these endeavors . On behalf of the Officers and all our members...we thank our volunteers for stepping up and making our Lodge and our Community a better place.

I would be remissed at this time if I did not note our special thanks to co-chairpersons, DAVE AND SARA CIESLINSKI AND THEIR TEAM OF TIM & ROSE WOOSLEY, DARRELL & TRACEY BLESSING for taking on our Lodges huge project of cleaning and updating our kitchen. The floors will be cleaned, stripped, and re-epoxied, walls, ceiling, and cupboards will be cleaned and painted, and updated lighting will be wired and installed. A new stove will be purchased and installed and they will be refurbishing our fryer as well. So if you see these members in passing....please say THANK YOU...for all their efforts and I am sure we will all be in awe of their results.

A LETTER FROM A MEMBER:

Being a Moose member, I was told we here
were a big family. Well family to me is car-
ing for each other. Living alone doesn't
make you lonely, thinking no one cares is
what makes you lonely. If you know of
someone that is alone or you haven't heard
from them in a while, call, text. .or visit
them. As a Family Moose Member, it is our
responsibility to do this. Let them know we
care. God Bless
